Hi Linda-

Thanks again for all of your hard work in organizing and making the BCP Fall Weekend such a success. Thanks also for suggesting staying at the Holiday Inn: however, I know now not to hesitate in registering for the Spring or Fall weekend.

Thanks again,

Jack Toomey

Linda,
Just a note of thanks for a wonderfully well run, organized event. Maria & I had were quite impressed with your attention to detail (e.g. color-coding everything in sight) and how well prepared you were throughout the entire weekend. Managing such a large group morning to night throughout the entire weekend is not easy. You handled it with great skill.
I thought you might like a copy of some the photos I took on Saturday's ride. I will forward them to you as a PICASA WEB ALBUM shortly.
Many thanks.

Dear Linda,

We wanted to thank you for putting together such an incredible weekend of cycling. Your complete preparation and attention to detail were superb! We've never been on any event, cycling or otherwise, which has been as superbly organized as this was. Thanks for all you've done and we look forward to seeing you next year. If we can help in the future, please let us know.

My husband and I just wanted to thank you and your helpers so much for a WONDERFUL weekend! We had a great time. Of course the beautiful weather helped, but you did a magnificent job of getting it all together so that everything appeared seamless to us attendees. The information you sent us, especially the directions, were extremely helpful. You are an amazing person. Despite all the hard work you've been putting in, you still managed to get out there and do the long rides. We're looking forward to the Spring-n2-Cycling Weekend and we hope to sign up early enough to be in the main lodge this time.

Regarding the rides from the Eisenhower Conference Center ... we did the 26 mile ride late Saturday afternoon (after spending the morning doing the Battlefied loop with Nancy), and it was absolutely georgous! We did the 21-mile to the S. Mtn. Fairgrounds -- this ride was actually our favorites of the weekend, aside from the Battlefield loop.

Thanks again!!

Linda,

It was a true pleasure riding with you and your group on Saturday.

Your hard work and attention to detail were evident in all aspects of your "Hanover Weekend". The food and drink were excellent. The folks were outstanding. The weather even cooperated. Thanks for the invite to join you and the PBC for this event.

If I or the Hanover Cyclers can help in any way, please let me know.

Regards,

Paul Schaum

Evening Linda,

I want to thank you and the BCP for inviting the Hanover Cyclers to your fall weekend outing.

The weather was great, the ride routes outstanding and the company extraordinary. The generosity of the BCP over the weekend was indeed exceptional. We, Nancy, Paul and myself, were so warmly welcomed by your Club Members. Please extend our "THANKS" to all the BCP members who made this a truly marvelous weekend and we look forward to next year already.

Hi Linda--

We would just like to thank you again for all the hard work that you and your dad did to make this weekend a huge success. We had a terrific time and look forward to doing it again in the spring in Danville and again next fall in Hanover. It's a lovely time to ride around the battle field with the changing leaves. I hope next year your dad is either riding his bike or maybe his new trike!!

Take care and have great holidays.

Dale & Eric Bostic
