

CALL FOR VOLUNTEERS

BCP will host a display booth at the third annual

Endurance Sports Expo (ESE)

Saturday, Feb. 25, 10am to 5pm, & Sunday, Feb. 26, 10am to 4pm

At the

Greater Philadelphia Expo Center in Oaks, PA

Endurance Sports Expo caters to avid cyclists, runners, triathlons, etc. This year's ESE will be much larger than last year's – bigger exhibit hall, more vendors & organizations, more seminars, etc. BCP's presence at this event will allow us to greet & interact with visitors, answer their questions about cycling in the Greater Philadelphia region, promote the benefits of cycling with a group and becoming a member of BCP, distribute club brochures & literature, present club merchandise for sale, etc. For more information about the ESE's schedule and exhibitors, please visit their website, www.endurancesportsexpo.com.

The Expo Center in Oaks, PA is located at **100 Station Ave**, at the **Egypt Road Exit** of **US-422, near Phoenixville**. Look for a large shopping complex adjacent to US-422, with Lowe's, BJs Wholesale, "The Dump" furniture store, and Regal Cinemas. Please visit www.phillyexpocenter.com/directions and/or <http://maps.google.com> for map details.

VOLUNTEERS ARE NEEDED TO HELP STAFF BCP'S BOOTH

Volunteers are needed for:

- Friday afternoon (Feb. 24) booth set-up, between 2pm and 6pm. Setting up the booth includes opening the canopy tent, hanging the banner, arranging club brochures and literature on the table, etc. Having the booth set-up on Friday makes Saturday morning much easier.
- Staffing the booth to greet visitors, for a few hours, on either Saturday or Sunday.
- Packing up supplies and dismantling the booth on Sunday afternoon.

If you are able to volunteer any amount of time at BCP's booth, for any of the above tasks, THANK YOU! Please contact **Event Coordinator Vince Calkins**, at **610-322-8470**, or calkinsv@dvoll.com, and tell Vince when you are available, for what role(s), and for how many hours. BIG thanks in advance to Vince and our volunteers from Linda McGrane!
